No. 2:20-cv-00017

MOTION TO ACCEPT LATE FILING DUE TO TECHNICAL DIFFICULTIES

Comes now the Defendant Crossville, Inc., by and through counsel, and pursuant to Rule 6(b)(1)(B), requests that this Honorable Court allow the filing of the Motion for Summary Judgment, Memorandum in Support, Statement of Material Undisputed Facts and Exhibits which were filed a few hours late.

In support whereof, Defendant would state unto the Court that she attempted to file said documents on Friday August 27, 2021 but had difficulties accessing the court's electronic filing system. Because the difficulties arose after business hours, she was unable to obtain assistance but located her assistant's ECF manual and was finally able to get the documents filed on another but at midnight and after. The late filings will not impact any other deadlines in this matter as they were submitted to the opposing party via the electronic system in the wee hours of August 28 and only a few hours late.

Wherefore, for the foregoing reasons, the undersigned requests that this Honorable Court allow the late filings.

Respectfully Submitted, this the 28th day of August, 2021.
